**SCOTCH MOUNTAIN MEATS™**

BEEF • LAMB • PORK

At Scotch Mountain Meats we have been farming the pristine hill and valleys of the Big Head River basin in Meaford Ontario for over 150 years, in fact we settled the area. We take pride in growing a product that harks back to a time when things were simpler. Our cooperative model is made up of neighbouring families committed to the principles of producing safe, environmentally-friendly food for our modern and busy age.
